

Financial Support Scholarship Application

Financial Support Scholarship Applications are welcome at any time in the year/s before entry. Financial Support Scholarship Applications are available for students who have applied for enrolment at St Paul's Grammar School and whose family situation demonstrates a need for special consideration due to pastoral or other circumstances. If you have not yet applied for your child to be enrolled at St Paul's Grammar School, an **Enrolment Application** must accompany this application.

Financial Support Scholarships may be means tested and will cover part of a student's normal tuition fees at the School and may be for a specified period of time. Scholarships do not apply to levies or other expenses including excursions, camps, uniforms, textbooks, laptop, learning resources or other cocurricular activities.

The Financial Support Scholarship Application and Enrolment Application may be submitted in hard copy by post or in person to the Director of Business and Finance. Emailed scholarship applications should be electronically signed and sent to fees@stpauls.nsw.edu.au

Please only provide copies of supporting documentation, not originals, as documentation will not be returned. **Please ensure this Application Form is completed in full and all supporting documents are attached.**
